

VII. RESOURCE MOBILIZATION STRATEGIES

The Provincial Government of Cavite established the DBM Public Financial Management Assessment Tool as its integral operating mechanism in the management of its finances encompassing planning, budgeting, accounting, cash management, revenue generation, resource mobilization and other financial operations.

In terms of resource mobilization, accordingly it can be obtained through any or a combination of the following:

1. Maximize internally-generated revenues which PGC have full control;
2. Effective allocation of resources that directly contribute to strategic goals and objectives;
3. Improve operational efficiency in the delivery of social services and in the overall local government operations;
4. Explore non-traditional revenue options such as credit financing, private sector partnership through the BOT or joint-venture arrangement or directly tapping Official Development Assistance (ODA).

VIII. PLAN IMPLEMENTATION

The Local Expenditure Program (LEP) or the Annual Budget of the Province of Cavite shall be the basis for its plan implementation and execution. This was prepared after thorough deliberation with all concerned departments, units, local development councils and Finance Committee, in order to keep up with the administration's thrust for transparency and accountability and likewise to ensure that an equitable distribution and allocation of available resources to different sectors are dispensed with in accordance with the identified specific objectives, targets, policy decisions, plans, programs, activities and strategies of the approved Provincial Development and Investment Program (PDIP) and Annual Investment Program (AIP) and through the Annual Procurement Plan.

IX. MONITORING AND CONTROL

Provincial Government of Cavite adopts a scientific and comprehensive system approach in order to establish and implement agencies' organizational collective performance monitoring and control through the so-called Strategic Performance Management System (SPMS).

All Departments Heads and employees shall align its office (OPCR) and individual (IPCR) performance with that of the organizational vision, mission and strategic goals, thus empowering its employees with a sense of involvement and shared responsibilities.
